Practice

What will students share?
Students will share their initial ideas about how to determine theme. They will share with a group.

Directions for students
In a group, share 3 main ideas about how you would determine theme in a story. Be ready to share with the class.

What do you anticipate students will think during this practice? (optional)
Students might get stuck on the topics of stories, instead of the theme.
Students might have really complicated ways of explaining theme.

How can you respond to encourage student learning? (optional)
Make sure students look at themes as "life lesson".
Also, make sure students work on simplifying their directions.
