

K-2-ETS1-3 - Solar Panel Structure

	1. Standard Not Met	2. Approaching Standard	3. Standard Met	4. Exceeding Standard
NGSS.Practice.1.K-2.A - Science and Engineering Practices Ask questions based on observations to find more information about the natural and/or designed world(s).	Identified questions based on observations.	Asked questions based on observations.	Asked questions based on observations to find more information about the natural and/or designed world(s).	Asked questions about what would happen if a variable is changed.
NGSS.Practice.1.K-2.B - Science and Engineering Practices Ask and/or identify questions that can be answered by an investigation.	Remembered questions that can be answered by an investigation.	Recognized questions that can be answered by an investigation.	Asked and/or identified questions that can be answered by an investigation.	Asked and/or identified questions that can be investigated AND predicted reasonable outcomes based on patterns such as cause and effect relationships.
